

Statement regarding

EU REACH provisions

Having evaluated supplier certifications and material composition declarations, Acconeer has determined that:

- Acconeer products meet the REACH requirements for chemicals designated by the European Chemicals Agency (ECHA) as Substances of Very High Concern (SVHC) (<http://echa.europa.eu/candidate-list-table>).
- Acconeer products have been evaluated for the presence of restricted substances listed in REACH Annex XVII and does not contain any of the restricted substances within the scope of the restriction condition.

In determining the REACH status of its products, Acconeer relies upon its suppliers' material content data certification. The signature below verifies that statements above are valid and accurate to the best of our knowledge for Acconeer products in original sale condition.
